## **About this Event**

In this time of housing crisis, new housing developments are springing up all over Britain. Whole new communities and even towns are emerging sometimes with little in the way of community facilities, often with little capacity to nurture friendships amongst the new residents, usually against a backdrop of local protest, and almost always without a church building.

Our challenge as Christians is to work out our response to this changing landscape. The New Housing Hub is committed to encouraging Christians to be a prophetic voice of welcome, amidst the sea of protest, and to work together to share God's love with every new housing area.

Through keynote addresses, a range of seminar groups, a resource hub and networking together we will explore how to step into the unknown physically and spiritually to welcome and bless new residents and create opportunities for the Christian faith to be explored and nurtured in ways that are appropriate to the new context.

Whether you are new to new housing engagement, or already in this context and keen to connect with others; whether you are developing a strategy or looking to be hands on in a new community; whether you are a church leader or member; come and share and learn together so that between us we can share God's love with every new housing area in Lincolnshire and beyond.

The day will include light refreshments but please bring lunch with you. Tesco Express and M&S Food hall are within 5 min walk.

In the interest of sustainability, please bring a reusable cup for hot drinks and a refillable bottle or cup for water. We are seeking to reduce waste as much possible.

**WE WARMLY INVITE PARTICIPANTS FROM THE EAST MIDLANDS, EAST ANGLIA, THE WEST MIDLANDS AND ELSEWHERE.**

**Please Note** : Stamford is an exceptionally beautiful town with many buildings from the Middle Ages, and the 18th Century. However, this means that the streets are narrow. There is no parking immediately ant the venue and on-street parking is very limited. There are a number of car parks within 15 minutes walk of the venue.

We encourage participants to come by train. Stamford has direct hourly connections from Stanstead, Cambridge Ely, Norwich, Oakham, Melton Mowbray, Leicester, Nuneaton and Birmingham. It is also accessible via the East Coast Main Line, with a simple change at Peterborough.

We will provide a bookable minibus pick up where possible for those with mobility difficulties.
